

<b>Job Title:</b>	Head of Fundraising
<b>Reports to:</b>	Chief Executive
<b>Location:</b>	Shaw House, Oxford, with flexible working options available
<b>Hours:</b>	Full-time, permanent

---

***Join RABI as our new Head of Fundraising to help ensure we can expand and enhance our services so that we can make sure no member of the farming community has to face adversity alone.***

The Royal Agricultural Benevolent Institution – RABI – is a national charity that provides local support to the farming community across England and Wales. Established in 1860, RABI have been offering guidance, financial support and practical care to farming people of all ages through grant support and wellbeing programmes.

Our farming communities are facing increasingly complex challenges and pressures and RABI has a crucial role to play now and, in the future, to support the wellbeing of farming people.

The requirements for RABI to be able to respond appropriately to secure the delivery of services and support to meet these developing needs, whilst maintaining our long-established services to both those working in agriculture and those no longer working due to age or illness, lies at the core of the changes the charity is currently undertaking.

In 2019 RABI launched an ambitious strategy, looking ahead to set out a clear vision to provide even more effective support to the farming community. Now three years into this strategy, we are excited to be recruiting a new Head of Fundraising to join our senior management team. Reporting directly to the Chief Executive, the Head of Fundraising will bring extensive fundraising experience and a willingness to take the lead in establishing a professional fundraising operation in a high impact, well-respected charity.

This is a unique and exciting opportunity. We're looking for someone truly ambitious and innovative, a strategic leader with a human-centred, collaborative approach and an emotional intelligence which will help you navigate change and build relationships with tenacity, sensitivity and compassion. As the charity works through a period of revolutionary change, there will be challenges ahead, however as our Head of Fundraising you will have an unparalleled opportunity to develop and implement a fundraising strategy that will support RABI's ambition to support four times as many farming people with new and innovative services.

If you are excited by the opportunity of taking ownership of our fundraising strategy and building something exceptional with people at the heart of it, then we can't wait to meet you.

**Closing date for applications:** By 9am, Monday 1<sup>st</sup> August 2022
